LIGHTS, CAMERA, EDUCATION! AFI K-12 Screen Education gr. K-12

LIGHTS, CAMERA, EDUCATION! is an online application of AFI K-12 Screen Education's face-to-face workshop series that provides teachers with the tools and skills to incorporate filmmaking into their curriculum. Students write, shoot, edit, and ultimately exhibit the original films they produce as part of their core classroom studies. The process transforms the classroom for both teachers and students, and is successful in K-12 classrooms across the board: English, Social Studies, History, Math, Science, Special Needs, Gifted and Talented, Advanced Placement and English as a Second Language. (9 part series)
